## The Professional Products Powerflow Oil Filter System

The Powerflow Oil Filter lineup consists of four basic filter canister sizes with different threaded bushings to make up our current twelve different filters. Note that if you change vehicles and both vehicles use the same basic canister size but with different threads, you can just switch the threaded bushings to use the filter on your new vehicle. Here is the current lineup of filters:

Filter Part No.	Filter Canister Size	Bushing Thread	Bushing Part Number
10854	Import	M20 x 1.5	10846
10857	Import	3/4-16 UNF	10843
